THE MONOLOGUE CHOSEN MUST BE ACTED OUT, MEMORIZED, AND BLOCKED.**

### Wendy from Peter Pan

Boy, why are you crying? You say that you are not crying? Oh, yes you are. What is your name? My name is Wendy, Moira, Angela, Darling. What's yours? Peter Pan, is that all? Oh, it is. In that case, I'm so sorry. Where do you live? The second star to the right and straight 'till what? What a funny address. I ah mean, is that what they put on your letters? Well if you don't get letters, you mother must get... You don't have a mother? Oh, Peter.

### Peter Pan

I can't think she is gone. Tinkerbell, Tink, where are you? Who's there? Is anyone there? What! (To Tink) The Indians were defeated and Wendy and the Boys have been captured by the Pirates? I'll rescue her! I'll rescue her! What? Oh, that's just my medicine. Poisoned? Nonsense! Who could have poisoned it? I promised Wendy to take it and I'm going to, as soon as I've sharpened my dagger. Why, Tink, you've drunk my medicine! What's the matter with you? It was poisoned! You drank it to save my life. Tink. Dear... Tink... your're dying? Your light is growing faint, and if it goes out that means you're dead. Your voice is so low I can scarcely hear what you're saying. You say you think... you think you could get well again if... if... if what Tink? If children believed in fairies. (To audience) Do you believe? Say quick that you believe. If you believe, clap your hands!

### Tiger Lily

**TIGER LILY:** Shhhh! Too much noise. Listen to Tiger Lily. When on the warpath – Shhhhhhhh! We want to catch that lost kid. Shhh! (*loudly*) Nobody's home. We will go back to the teepee, yes? Stop! Wait! Look at that strange bird. What a strange bird that is. Rather large compared to a flying falcon. Shhhhh. Tiger Lily is thinking. Tiger Lily must concentrate. Is this a good omen or bad omen? Bad omen or good omen? Hmmm? Ah ha! When in doubt – Runnnnnnn!

### Mrs. Darling

I was sitting by the fire, and suddenly I felt a draught, as though the window were open. I looked around and I saw that boy-in the room. I screamed. Just then Nana came back and sprang at him at once. The boy leapt for the window. Nana closed it quickly, but it was too late to catch him. The boy escaped, but his shadow hadn't time to get out. I hid it! I rolled it up and here it is!

## **Captain Hook from Peter Pan**

Split me infinitives, but 'tis me hour of Triumph! Peter killed at last and all the boys are about to walk the plank. At last, I've reached me peak! All mortals envy me- no little children love me. I'm, told they play at Peter Pan, and that the strongest always chooses to be Peter. They force the baby to be Hook. THE BABY! Blimey, that will be no more! The strongest will always choose to me! Captain James Hook!
