 2. [CINDERELLA Attendance Schedule](#)
- Arrive at the Community House 10 minutes before your scheduled audition time and look for the signs for the check in room.
- Check in, have an audition day photo taken by the production team and be measured for costumes.
Please allow approximately 2 hours for the audition. The audition group will then be divided into two separate groups, half will sing first and half will dance first. The groups will then switch. Once you have done both, you are done!

AFTER AUDITIONS

- Callbacks will be made via email on Monday, January 13 after 4pm. You will be notified what roles you are called back for and what you should prepare for your callback day.
- If you do not receive a callback, you will also receive an email after 4pm. Please don't let that get you down! Take the opportunity to keep training and come audition again next time!
Keep in mind that receiving a callback does not guarantee that you will be cast.

STEP 4: CALLBACKS

- After you receive your callback on Monday, January 13, get started on your preparation!
- Your callback email will give you an assigned time slot for Tuesday, January 14 between 4 - 8pm.
- Get familiar with the callback materials!

- Knowledge of the music and the show demonstrates to us who is prepared and makes a huge impression!
- As with auditions, arrive at the Community House 10 minutes before your scheduled callback time, wear shoes and clothes that allow you to move and dance easily, and bring a water bottle.

AFTER CALLBACKS

The cast list will be EMAILED Friday, January 17 at 4pm. Anyone not cast in the production will receive an email from the producers.

Break a leg everyone! We're rooting for you!
