

Good evening!

We hope this note finds everyone is doing well and adapting during this very difficult time. We know everyone is disappointed over missing our last 3 rehearsals--we are too!

We have been looking at many options and now find we can share our short term plans with you. The situation is rapidly changing and therefore a plan that is fluid will allow us to be nimble as we await updated plans from our schools and the Community House.

Spring Break time off will be as planned, but we will be posting new music and new choreography videos for 'He Lives in You' and the Finale by **March 24th**. This will give kids the option to work on new material over Spring Break. An email will be sent once everything is posted.

After Spring Break, on **Saturday April 4th**, we look forward to VIRTUALLY meeting with each cast. We will hold our first check-in at **9am with the Gazelle cast** and our second check-in at **11 am with the Cheetah cast**. This will be a check-in for the Director team and cast to talk and have some fun as we try utilizing technology with music and lots of kids! We are planning to use Zoom and will send invites for these check-ins. Please update the google sheet using these links with the email(s) you'd like used for the Zoom invites.

We will possibly offer small group rehearsals on Tuesday, 3/31 and Thursday, 4/2 via Zoom. If we rehearse on Tues/Thurs, we will send an email with a Zoom invitation to the applicable families. Our plan is to connect each week via email with updated information. Also, look out for an email in the next few days with our CTW Social Media challenges and activities. We will send you details to help keep our children engaged during this difficult time.

If your child or household member is tested, diagnosed or symptomatic with COVID-19 prior to March 25th, please reach out to Kelli Patterson at 312.961.4538 so we can encourage all to self-quarantine. We will notify our families, but will also maintain confidentiality.

Wishing loads of good health to all our CTW families. See you soon!
Your Lion King Producers and Directors

Timeline Overview
